

The subjects and level of detail addressed in the EIS will be consistent with the requirements of the joint FTA/FHWA environmental regulations (23 CFR 771 and 40 CFR 1500–1508) and other related regulations. The proposed impact assessment and evaluation will take into account both positive and negative effects, direct and indirect impacts, short-term (construction) and long-term impacts, and cumulative effects.

FTA Procedures

In accordance with federal transportation planning regulations and environmental procedures (40 CFR Part 1500–1508 and 23 CFR Part 771), the EIS will be prepared to consider reasonable alternatives, assess the potential impacts associated with reasonable alternatives, and provide the public with the opportunity to comment. The EIS will be prepared to address the components of the Locally Preferred Strategy identified in the 1998 Major Investment Study in the corridor between downtown Tampa and the University of South Florida, Hillsborough Community College, and Port Tampa. The Draft EIS will be circulated to solicit public and agency comments on the proposed action. Based on the comments received on the Draft EIS, HART will prepare the Final EIS. Opportunity for public comment will be provided throughout project development process.

Issued On: March 30, 1999.
